Funded Distance Learning Courses

NOW AVAILABLE

In conjunction with a number of FE colleges, we are pleased to be able to offer your staff a range of Government fully funded and nationally accredited qualifications through the NCFE / Cache. To reduce disruption at work, all the courses are delivered on a flexible, distance learning basis.

In line with Government funding eligibility, candidates must be aged over 19 years old and they must have resided in the EU/UK for the last three years. Candidates cannot be on an Apprenticeship. If aged between 19 and 23 they must already hold a level 2 qualification

NCFE Level 2 courses available include:

Places are limited
